### China Witness Voices From A

China Witness is a remarkable work of oral history that lets us see the cultural upheavals of the past century through the eyes of the Chinese who lived through them. Xinran, acclaimed author of The Good Women of China, traveled across China seeking out the nation's grandparents and great-grandparents, the men and women who experienced firsthand the tremendous changes of the modern era.

### China Witness: Voices From A Silent Generation: Xinran ...

Xinran is one of the most authentic voices from China writing today. I snap up each of her books as soon as they come out. I picked this one up with high hopes, as it's about the 'silent generation' of Chinese who lived through the Revolution and the suffering afterward -- the whole gamut of natural and political catastrophe that is modern China.

### China witness : voices from a silent generation (Book ...

China Witness is a compassionate portrayal of life in China during the revolutionary phases of its history. The generation, of which very few would be living now, who lived through the massive country-wide ideological, social and political changes is a silent generation, ridiculed, forgotten or brushed aside by the new political regime and their own children and grandchildren.
