your partner.

ManyBooks is one of
the best resources on
the web for free books
in a variety of
download formats.
There are hundreds of
books available here,
in all sorts of
interesting genres, and
all of them are
completely free. One of

Where To Download

the best features of this site is that not all of the books listed here are classic or creative commons books.

ManyBooks is in transition at the time of this writing. A beta test version of the site is available that features a serviceable search capability.

Readers can also find books by browsing genres, popular selections, author, and editor's choice. Plus,

Where To Download

ManyBooks has put together collections of books that are an interesting way to explore topics in a more organized way.
