Designing for Interaction (□□)

Although he wouldn't

Access Free Designing For Interaction By Dan

hear the term “interaction design” for another decade and a half, Dan Saffer did his first interaction design work as a teenager in the mid-1980s when he designed and ran a dial-up game on his Apple IIe, a 2600-baud modem, two floppy disk drives, and a phone line. And yes, it was in his parents’ basement. He’s worked formally in interactive media and product
