### Freedom and Morality and other Essays - A. J. Ayer ...

Morality and Freedom. Only a moral society is a free society. But a society is not an object or thing. A society is a collective term like team, or band, or club. It is the members of a society (or team, or band, or club) that determine the kind of society (or team, or band, or club) it is. A moral society is a society in which every member is a moral individual.

Freedom is essential to a genuinely good human life at all the levels of morality. Finally, there is the question of ultimate ends. Why are we all here? Where are we going? This will necessarily be the most contentious since the idea of a final end for man often goes in tandem with a specifically religious view of man's vocation.

1. Morality as Freedom. ... elevating though man's privilege is, of being capable of such an idea as freedom of choice - [those who are accustomed only to physiological explanations] are stirred up by the proud claims of speculative reason, which feels its power so strongly in other fields. They are stirred up just as if they were allies, leagued in defense of the omnipotence of theoretical reason and roused by a general call to arms to resist the idea of freedom of choice and thus at ...
