## **Guide To Family Planning**

The most apt family planning definition is to control the number of children you have, and the timing and intervals between their births, by means of using contraceptives or voluntary sterilization. Nowadays there are many options available and it may be a daunting prospect to try and determine what might work best in your particular situation.

Simcha Fisher's new "The Sinner's Guide to Natural Family Planning" is the most refreshing and honest work on NFP I've ever read. In easy prose that's at times laugh-out-loud funny, Fisher has the courage to face the true ups and down of using NFP as a Catholic couple -- both the joys that come from marital chastity and the fact that sometimes, when you want to have sex and need to abstain, it kinda sucks.
