Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Identity And Violence The Illusion

In his concluding chapter, Amartya Sen neatly summarises how this illusion of singular identity easily serves the agendas of those with violent purposes: "The advocacy of a unique identity for a violent purpose takes the form of separating out one identity for special focus, and it proceeds from there to eclipse the relevance of other associations and affiliations through selective emphasis and incitement...

Identity and Violence: The Illusion of Destiny (Issues of ...

Identity and Violence: The Illusion of Destiny. In this brilliant short book, Amartya Sen argues that most of the conflicts in the contemporary world arise from individuals' notions of who they are, and which groups they belong to local, national, religious - which define themselves in opposition to others. Our identification with these groups determines, for example, which side we belong to in a war, and whether we are an object of hatred by others or a member of a privileged caste.

Identity and Violence The Illusion of Destiny

barbarity we see around us. The illusion of destiny, particularly about some singular identity or other (and their alleged implications), nurtures violence in the world through omissions as well as commissions. We have to see clearly that we have many distinct affiliations and can interact with each other in a great many

Identity and Violence - Readers' Break

Sen's point that defining someone in terms of a single identity is often a prelude to violence is true and important. It is remarkable how amenable humans are to killing each other based on the fact, for example, that they do not share the same religion.
