### Mass Media And Political Communication

Abstract. The communication of political information is an important process in the political system, and the mass media play a central role in this activity.The mass media provide most of the electorate with a framework for understanding past, present and future events. Yet there is extensive debate about both the extent and the character of the impact of the mass media on politics.

### Mass Media and Political Communication - MPSA Blog

During your studies in Political Science with Mass Communication, you will learn how democracy is realised in societies, how people become actively engaged in politics, and how their opinions are formed. Political life varies between regions and countries, and the media, both traditional and new ones, play a specific role in politics.

### Political Science with Media and Communication | Abo ...

Social media communication is a model of two-way mass communication, while traditional media communication is a model of one-way mass communication (Gainous and Wagner, 2014, p. 5). In the communication process, social media enables reciprocal communication between users in the sense that both users are active in using the medium.

### Role of Social Media in Political Communication

The rise of new media has complicated the political media system. Legacy media consisting of established mass media institutions that predate the Internet, such as newspapers, radio shows, and television news programs, coexist with new media that are the outgrowth of technological innovation.

### The New Media's Role in Politics | OpenMind

Mass media refers to the technologies used as channels for a small group of people to communicate with a larger number of people. The concept was first addressed during the Progressive Era of the 1920s, as a response to new opportunities for elites to reach large audiences via the mass media of the time: newspapers, radio, and film.Indeed, the three forms of traditional mass media today are ...
