This test mirrors the Year 5 2003 optional test from the QCA to give an alternative view on children's comprehension and retrieval of information. There is a non-fiction and fiction element to the test as well as answers and threshold levels. The questions are on separate sheets that clip together to make the booklet.

Optional SATs are tests that can be taken near the end of school years 3, 4 and 5: the years in which children don't have to sit proper SATs. There are two sets of papers available to parents, which were developed by the QCA and released in 2003 and 2006. There are tests in maths and English (reading and writing). Do all schools do optional SATs?

QCA keeps the national curriculum for England under review and leads on its development. We set the standards for children's learning from the age of 3 to 14. From 3 to 5, children experience the foundation stage. From 5 to 14 they move through primary school and into the first years of secondary education.
