Special Event Production: The Process | Taylor & Francis Group

An Introduction to Special Events and Special Event Production. By definition, a special event is a gathering of human beings, generally lasting from a few hours to a few days, and designed to celebrate, honor, sell, teach about, or observe human endeavors. This is my personal definition and it is intended to be as all-encompassing as possible.

Event Producer Job Description - JobHero

This template is a guide to the planning process. Working through the process will generate plans that can be used to manage, monitor and report on your unique event. Smaller, less complicated events will produce smaller, simpler plans than bigger or more complex events will produce. Whatever the size or focus of the event, the process is the same.
