Here is an updated version of the
\$domain website which many of our East
European book trade customers have
been using for some time now, more or
less regularly. We have just introduced
certain upgrades and changes which
should be interesting for you. Please
remember that our website does not
replace publisher websites, there would
be no point in duplicating the
information. Our idea is to present you
with tools that might be useful in your
work with individual, institutional and
corporate customers. Many of the
features have been introduced at
specific requests from some of you.
Others are still at preparatory stage and
will be implemented soon.
