The Department Chair as Transformative Diversity Leader: Building Inclusive Learning Environments in Higher Education

The Department Chair as Transformative Diversity Leader ...

The department chair represents the nexus between the faculty and the administration and is positioned uniquely to impact diversity progress. Research indicates that more than 80 percent of academic decisions regarding appointment, curriculum, tenure and promotion, classroom pedagogy, and student outcomes are made by the department chair in consultation with the faculty.

The Department Chair as Transformative Diversity Leader

Edna Chun and Alvin Evans' work on the department chair and diversity fills a gap in the literature on academic leadership. They argue that the academic chair is the pivot for diversity in higher education, particularly as increasing numbers of minoritized students enter the academy.
