### The Elements Of Fcking Styleelements

Now, The Elements of F\*cking Style drags English grammar out of the ivory tower and into the gutter, injecting a dull subject with a much-needed dose of color. This book addresses everything from common questions ("What the hell is a pronoun?") to philosophical conundrums ("Does not using paragraphs or periods make my thesis read like it was written by a mental patient?").

### The Elements of F\*cking Style

The only reason The Elements of F\*cking Style gets two/five instead of one/five is that the premise - a modern-day update of Strunk & White, using relevant, humorous examples and taking technological updates into consideration - receives full marks. The execution, however, receives very low marks. First of all, the humor is, well, nonexistent.
