But the myth of the non-corrupt military can also contribute to the gradual deterioration of democracy. For one thing, this perception — particularly during a period of high anti-establishment sentiment — increases the incentives for expanding the military’s role outside the realm of defense or even security.

The Enduring Myth of the "Non-Corrupt" Military

This historical and anthropological investigation probes the genesis of the myth that the Turkish nation is a military nation, traces how the ideology of militarism has been actualized through education and conscription, and reveals the implications for ethnic and gender relations.

The Real Story Behind the Myth of Area 51 There are no aliens at America's most famous top-secret military base, but what is there is just as interesting. By Matt Blitz

Where is Area 51? | Everything You Need to Know About Area 51

The popular saying, " Her Türk asker doğar " (every Turk is born a soldier) is repeated in daily conversations, school textbooks, the speeches of public officials and intellectuals, and is used as a drill slogan during military service. Its legitimacy goes without saying. In this chapter, my aim is to attempt a genealogy of the term military-nation and discuss the making of the myth that "the Turkish nation is a military-nation."
